| - Email Management. | |

CERTIFICATES

Advanced Python Topics: File Operations in Python [↗](#) |
Generative AI & Emerging Technologies Seminar [↗](#) | Software Development Internship [↗](#) |
What Is Generative AI? – LinkedIn Learning [↗](#) |
JavaScript Unlocked – Google Developers Group On Campus [↗](#) | Deloitte Technology Job Simulation [↗](#)

PROJECTS

Blackjack Game (JavaScript) [↗](#)

Developed a browser-based Blackjack game using HTML, CSS, and JavaScript to simulate an interactive card game experience.

Implemented game logic, random card generation, score calculation, and win/loss conditions.

Designed an interactive and responsive user interface with dynamic game updates and user interactions.

Applied JavaScript functions, arrays, conditional statements, and DOM manipulation to enhance gameplay.

Tech: HTML5, CSS3, JavaScript (ES6)

Smart Leads Tracker (Chrome Extension) [↗](#)

Developed a productivity-focused Chrome extension to save, organize, search, sort, import, and export web links for efficient lead and bookmark management.

- Developed a Chrome Extension using **HTML, CSS, and JavaScript (ES6)**.
- Implemented **Save Input, Save Current Tab, Search, Sort, Import/Export**, and **Delete All** features.
- Used **LocalStorage** to persist user data across browser sessions.
- Designed a clean, responsive, and user-friendly interface with input validation and duplicate prevention.

Tech: HTML5, CSS3, JavaScript (ES6), Chrome Extension API, LocalStorage

Developer Portfolio Website

Developed a responsive personal portfolio website to showcase projects, technical skills, and professional achievements.

Designed a modern and user-friendly interface with smooth navigation, responsive layouts, and interactive UI components.

Integrated sections for projects, skills, education, certifications, and contact information with optimized performance.

Applied responsive web design principles, semantic HTML, CSS animations, and JavaScript to enhance user experience.

Tech: HTML5, CSS3, JavaScript (ES6), Responsive Web Design
